

THE **ASA** GROUP

**The ASA Group** has excellence in ground handling supervision, permits, slots, private jet services, corporate security, close protection, and luxury concierge services since 1999. We provide a full suite of possibilities to businesses and VIP travelers, with a clear focus on the Asia Pacific Region.

## GROUND HANDLING & PERMITS

---

With decades of general aviation experience in Southeast Asia, we thrive on providing the best possible levels of service to passengers and crews of VIP aircraft at over 1,000 airports. Our ground and flight support services help to consistently ensure a smooth process by proactively managing every aspect and detail of the journey.

One of our expertise is obtaining over-flight and landing permits, slots as well as parking for non-scheduled, diplomatic and medevac flights.

We provide a dedicated member of our staff to attend your flight to assist in the coordination and supervision of every arrival and departure, putting years of experience at your disposal. We coordinate all third-party services for your aircraft including: CIQ, VOA, flight plan and weather brief delivery, fuel, catering, hangar arrangements, cleaning, aircraft security, line maintenance facilitation, crew and passengers' transportation and hotel reservations, anything needed to make your trip a seamless one.

“ Quality means  
doing it right  
when no one else  
is looking ”

## AIR CHARTER

---

“ Planning is important but the journey is everything ”

ASA Air Charter has been providing VIP travel for over 17 years. With access to aircraft worldwide and dedicated professional staff to manage your every need, we can offer outstanding personal assistance for business, leisure, celebrity, diplomatic and air ambulance flights.

Our wealth of experience and history means that we have access to a wide variety of aircraft – including cargo, helicopters, turboprops, private jets and VIP airliners. To maintain high standards our air charter team stays frequently updated with all operational information and requirements. This allows us to provide solutions to any situation that might arise, we make sure that your time is spent as efficiently and as safely as possible.

By flying private you will benefit from the flexibility, access and efficiency of a personalized itinerary. Due to our discretion and professionalism, ASA Air Charter has become the go to service provider with many of our customers returning to us year after year.

## SECURITY SERVICES

---

“ The difference between ordinary and extraordinary is that little extra ”

ASA Security Services has provided customized security solutions including overt to low profile executive protection details, security surveys, penetration tests, TSCM operations, due diligence, aircraft security (AvSec) and other specialized security projects since 1999.

Our team has led and conducted projects for a diverse array of clients in almost every country in Asia. Fortune 100 companies, corporate CEOs, charitable organizations, members of Royalty from several countries, A-list film stars, senior members of the Council of the European Union, high net worth individuals, sports celebrities and entire professional football teams have entrusted us with their protection and the provision of suitable secure logistics.

Our consulting services are personalized to suit each client's individual requirements and situation. We have expertise in physical, manpower and technical security operations. We can carry out threat, risk and vulnerability surveys, country risk profiles, security and safety assessments as well as technical reviews are major strengths of our portfolio, which also include recommendations for CCTV and access control systems.

Investigations by ASA Security Services are designed to provide in depth and accurate information to allow our clients to make informed business decisions. Services include enhanced due diligence, business intelligence, litigation support, compliance, risk mitigation and market entry services.

## LUXURY CONCIERGE

---

The ASA Luxury Concierge team are specialists in managing lifestyle luxury experiences and VIP concierge services throughout Asia. Our expert team focuses on clients who want the very best, and expect journeys, holidays or one-off experiences to be exceptional or unique, tailored to their specific needs and executed seamlessly.

With our network of partners throughout Asia, we are able to arrange access to exclusive or "hard to book" events and difficult-to-reach places. With our connections we are even able to arrange meetings with uniquely talented, prominent or celebrated individuals. Using our in-depth knowledge of Asia, we pride ourselves on: exceptional journeys, life-changing adventures, the finest accommodation, guides with expert local knowledge, as well as the very best in private aircraft and luxury limousine transportation, and super yachts vacations.

Our luxury team provides the highest level of personalized service and care. Both major requests and small details are handled with passion and careful follow up, leading to long lasting relationships and reoccurring visits from our most valued clients.

“ We call it  
Lifestyle  
Management ”
